Genesee County Medical Society Within the Community Assisting in Recognizing Clinical Excellence

The Genesee County Medical Society was recently contacted by Julie Forbush (Sovita Credit Union), to assist in recognizing and honoring outstanding medical clinicians within Genesee County. This was a tough assignment as there are many outstanding medical clinicians within the county. GCMS was honored to assist in the process.

The Genesee County Medical Society President, Dr. Sunilkumar Rao was contacted to identify outstanding medical clinicians within the Ascension Genesys organization to be recognized. Dr. Rao identified two individuals within Ascension Genesys “Who have given excellent patient care going above and beyond especially in the heart failure patients helping prevent readmissions”. October 19, 2021 Dr. Sunil Rao, Jennifer Shew (Sovita Credit Union), and I met at Ascension Genesys Hospital to present the recognition awards.

Amy Mackie (Nurse Practitioner), and Kyle Richter (Physician Associate), were identified as the recipients for the recognition award. Amy and Kyle were presented with a framed certificate of recognition and a thank you gift basket full of treats.

Julie Forbush, Jennifer Shew, and I met at McLaren Flint Hospital on October 6, 2021. Working at McLaren for over 36 years, I identified individuals from the cardiac surgery program that have displayed clinical excellence and dedication to the McLaren Flint open heart surgery program.

Three clinicians were chosen from McLaren Flint to be recognized. Nathan Ayers (Physician Associate), Stephanie Lamont (Physician Associate), and Pawel Karbowski (Physician Associate), were presented with a framed certificate of recognition and a thank you basket.

Melanie Krznarich and Barton Scotland of Hurley Hospital were contacted to recognize outstanding clinicians within their organization. Melanie and Barton identified two clinicians from Hurley Hospital to be recognized. October 13, 2021 Taneisha Franklin (Physician Associate), and Kelli Pyles (Physician Associate), were recognized for clinical excellence. Taneisha and Kelli were presented and received a framed certificate of recognition and a thank you basket.

If you have a recommendation for a medical professional who deserves recognition, please contact executivedirector@gcms.org.

Genesee County Medical Society Alliance

The Genesee County Medical Society Alliance kicked off another fiscal year of volunteerism with the ever popular International Luncheon. Members from different ethnic backgrounds, like Bangla Desh, Canada, India, Jerusalem, Peru and South Korea are represented. We come together to give off our time to make a positive difference in the community while enjoying great camaraderie which helps unity in diversity.

A BIG THANK YOU to our very gracious hostess, Rumana Rashid. Thank you, also, to all the very talented chefs among us who brought delicious dishes to enjoy.

President, Lakshmi Tummala, welcomed the members and special guests, Valerie Doane-President MSMSA, Elizabeth Junewick-President-elect, Lisa Hildorf-Regional Director, Stacey Doyle-Executive Director, Genesee County Free Medical Clinic and Lisa Fockler-Executive Director, Genesee County Prevention Coalition who spoke about the role GCMSA plays in their organizations.

GCMSA October Membership Meeting at the FIA

The Flint Cultural Center offers plenty to do for art and music aficionados. Hence, the October GCMSA Membership Meeting was held at the Flint Institute of Arts to enjoy the works of Israeli artist, Yigal Ozeri. We had a good turn out of members who met at the coffee shop to enjoy a light lunch before the tour. The adjacent gift shop offers beautiful and unique items to take home.

From there, we went to the theater where President, Lakshmi Tummala, held a brief meeting. Mary Ryan spoke about the significant role FIA plays in the Cultural Center. We, then, proceeded on to tour the several galleries in the building. Our first stop was to view the works of Israeli artist, Yigal Ozeri. His paintings on canvas are mind blowing. They looked so amazing that one would mistake them for photographs. From there, we moved on to other galleries that have art on canvas, sculptures as well as a big collection of porcelain and glass by world renowned artists. Some of the exhibits are on display year round that are made possible through generous contributions by local philanthropists. They have donated vast amounts to support the institute which helps bring traveling exhibits from all over the world. The on site library houses a huge collection on art from all over.

Thank you, FIA, for making world class art available to our small town, Flint, through your huge dedicated efforts. The admission is free for all Genesee County residents. I would encourage everyone to support the Institute through your membership with a nominal amount of \$50 per year.

Easy Ways to Donate to the Medical Society Foundation:

The Medical Society Foundation is engaged in a Capitol Campaign. The purpose of the Campaign is to grow the corpus to support the charitable activities of the Genesee County Medical Society. Those activities include public and community health, support for the underserved, and wellness initiatives.

To continue its good work, the Medical Society Foundation is asking you to consider leaving a legacy gift to the Foundation. If all, or even a significant portion of our membership left just a small part of our estates to the Foundation, the Foundation could continue helping this community in so many ways, by supporting the Medical Society.

To make a gift, simply use these words:

In your Trust, "Grantor directs Trustee to distribute ___% of all assets then held in Trust or later added to this Trust to the Medical Society Foundation, to be held in an endowed fund and used in the discretion of its then existing board of directors in furtherance of the purposes of the Foundation."

In your Will, "I give, devise and bequeath ___% of my Estate to the Medical Society Foundation, to be held in an endowed fund and used in the discretion of its then existing Board of Directors in furtherance of the purposes of the Foundation."

While this is not a subject that is comfortable to broach, it is an opportunity to support the Foundation which supports the Medical Society's charitable activities on behalf of the membership. Please give. You can give via a trust or will. You can give from your IRA. You can give appreciated stock, and you can give cash. Please support the organization which does so much on behalf of the medical community and the patients we serve.

Don't Forget!
Donations are tax deductible!

COVID-19 VACCINE

The COVID-19 pandemic demonstrates how diseases without vaccines can devastate economic and public health. Vaccines have reduced and, in some cases, eliminated many diseases. In the U.S., there is currently no approved vaccine to prevent COVID-19. MDHHS is working with the CDC and Michigan stakeholders to prepare and plan for when the vaccine is available. The initial draft of our state's plan is now available and will be updated often in the coming months.
